

# COVID-19 Notice

Observe COVID-19 Safeguards!

## Coming-of-age Day is For Adults

Congratulations on your coming of age!

This is important opportunity to celebrate an important milestone in you're lives.

But remember that we are still in the middle of a pandemic, and unsafe social activities can put you are high risk for COVID-19.

We ask that all KUAS students coming of age this year carefully observe the following health safety measures on the day of their coming-of-age cemony, and act in a manner befitting of young adults.

- **Do not go out drinking or attend karaoke after-parties, etc!**
- Wear a mask and disinfect your hands frequently.
- Do not participate in the ceremony if you are feeling unwell.
- Avoid crowded spaces.
- Do not speak using a loud voice .

Thank you for keeping our campus safe!
