## ► Application Eligibility

### a) Academic Entry Requirements

- Applicants must have completed a standard 12-year school education, or an education corresponding to that (equivalent to Japanese senior high school, International Baccalaureate, Diploma, Abitur, Baccalaureate Diploma, or GCE A level). For more details, please download the Application Guidelines from the official KUAS website.
- Applicants must have a comprehensive understanding of a majority of the following mathematics and physics-related fields, equivalent to a high-school/upper secondary school level.

<b>Mathematics</b>	Algebra, Geometry, Pre-calculus, Statistics
<b>Physics</b>	Force and Motion, Waves, Electricity and Magnetism, Atoms

### b) English Language Requirements

Applicants must meet the minimum scores stated in the table below. At the KUAS Faculty of Engineering, English is the language of instruction. KUAS does not offer an "English as a Second Language (ESL) program." Therefore, all applicants must prove that they can thrive in an English academic environment before enrollment. KUAS accepts the following English proficiency test scores.

Test	TOEFL	IELTS	PTE	Duolingo English Test
<b>Minimum Score</b>	Internet-based (iBT): 75	Academic overall band score: 5.5	Academic: 50	105

\* KUAS also accepts TOEFL iBT Home Edition and IELTS Indicator.

## ► Required Documents

- Photograph
- Application essay  
(300 words minimum, 350 words maximum)
- Official academic transcript(s) (in English)  
for the last two years
- Certificates of (expected) graduation (in English)
- Standardized test results (in English)
- Evidence of English language proficiency  
(TOEFL iBT/IELTS/PTE/Duolingo)
- A letter of recommendation
- Passport copy or photo ID copy
- Residence card copy
